## About St. Vincent de Paul of Seattle/King County

We have over 50 neighborhood-based volunteer groups in King County who deliver services directly to our neighbors through Home Visits

Our 1,000 Vincentian volunteers make over 17,000 person-to-person visits annually, helping neighbors with rental assistance to prevent homelessness, utility shut-offs, easing hunger and linking people to our case management services. Home visits serve over 40,000 people annually.

We prevent nearly 4,000 individuals yearly from becoming homeless by providing rental assistance.

Our Georgetown Food Bank Community Center in South Seattle helps thousands of families and individually annually.

About **89** cents of every \$1 donated goes to programs to help people.

We serve everyone without regard to religion, race, color, national origin, sexual orientation or gender identification. We strive to serve everyone.

We are an independently governed non-profit 501(C)(3) organization | Summer -- 2019.
